Pure Tennis Ferny Hills offers the complete Hotshots Coaching, Squad & Fixture programs for children aged between 3 – 12yrs. Hotshots is designed specifically for children and uses modified courts, balls and equipment to help young players learn skills quicker while also gaining more enjoyment from tennis. Hotshots is the first stepping stone for your child to learn the skills & gain the confidence they need to participate in interclub fixtures & tournaments in the future.

At Pure Tennis we are committed to providing Brisbane’s young tennis players with a fun, social and safe environment to learn and enjoy this great game. **The good news is we run our Hotshots Red & Orange coaching program on Tuesday & Friday mornings at your school to make it easier to give your child the opportunity to learn tennis.** If you would like your child to participate in one of our Hotshots coaching programs, please complete this form below and either email it to us (proshop@fernyhillstennis.com.au) or pop it into our centre at 144 Samford Road, Ferny Hills. **Please do not hand it to the school office.** Alternatively you can call us on 3851 0444 to arrange booking & payment over the phone.
